Mr. Mitch Goldblatt
Town of Orange

Orange, CT 06477

Dear Mitch,

Goodwill will provide the Orange Transfer Station with a ground level water proof storage container for the collection of resalable clothing, household items, small electrical appliances and furniture. We would place appropriate signs on the container so that residents can place items into the container. Goodwill would pick up the items once a week or as necessary per call placed by attendant. I am sure that we would collect at least one million pounds over the course of time of materials that would otherwise be given to you for disposal.

Attached please find a copy of our Certificate of Liability Insurance.

Sincerely,

H. Richard Borer, Jr.
